DAVIS THEATRE. Big Show Today of Keith Vaudeville and Feature Photoplays.

For the first half of this week the management of the Davis have booked an exceptionally fine bill of Keith vaudeville and photoplays with the vaudeville attraction Jessie Blair Sterling's Highlanders. This is a real Scotch act and every member of the troupe is a product of the land of the heather. They sing Scottish songs, do Scottish dances and have a regular bagpipe band of their own. Miss Sterling in the act is a recognized prima donna and one of the best singers of Scottish songs now in America. Others in this act include the famous Keppy sisters, who are not strangers Keppy sisters, who are not strangers to Norwich, having been seen here seyeral times at the Burns banquet at the Wauregan house. This act is easily the finest act of its kind in vaudeville and no one should miss hearing them. There are eight people, five women and three men, and they carry all their

own special scenery.

The feature photoplay for Monday and Tuesday is The Juggernaut, a Vitagraph five part blue ribbon feature with Earl Williams and Anita Stewart. Everything we would say about the story of The Juggernaut is so pale and poor and this compared to the tremendous climax of this, the Colostremendous climax of this, the Colossus of railway drama—that we shall give only on outline of the plot.

One thinks he has accidentally killed a drunken rowdy in saving the other's life—they two only know this secret.

Both fall in love with the same girl—who marries the rich boy only after his chum has withdrawn from the race because of his poverty.

The district attorney bitterly attacks the railroad in the courts. His former chum threatens to expose him as a murderer.

In a thanksgiving sermon preached 40 years ago in the First Congregational church by Rev. Hiram P. Arms, he told of the first New England thanksgiving, that it was on Nov. 5. Guy Fawkes day in England, and was held on that day for several years after. The fathers of the children here had in England celebrated the day by burning the effigy of Guy Fawkes, burning barrels, pieces of stolen wood and stumps according to the old rhyme: rhyme: Remember, remember, the fifth of No-

There was evening prayer and an address at the Sheltering Arms Sunday afternoon, conducted by Rev. F. Johns Bohanan, rector of St. Andrew's church, Greeneville. Pretty Sister of Jose and three classy acts of vaudeville will make up the program.

In The Pretty Sister of Jose, by Francis Hodgson Burnett, and formerly Maude Adams' starring vehicle, Miss Clark triumphs as she has never triumphed on the screen before. This fact is true not only because her role provides her with many emotional opportunities, but because of her display of force and temperament in its portrayal. In addition to the moments of stress throughout the drams which she enacts so effectively we see her early charm, her delightful little girlish mannerisms, those exquisite little bits of comedy which she presents so inimitably, combined with a gentle pathos all developed artistically and with composite charm.

The Famous Players Film company has produced many notable feature successes, but few even of its superb productions can rank in charm and appeal with The Pretty Sister of Jose. The play has been set amid scenes of rare beauty. The color and glamor of old Madrid, the environment of the drama's action, are realistically depicted. Miss Clark's sympathetic impersonation of the central character is enhanced by the splendid portrayals

NO MORE BACKACHE

Hundreds of people have been relieved of the agonies caused by weak, diseased or clogged-up kidneys by using Solvax, the new remedy that quickly reaches the source of all kidney complaints.

If you suffer with pains in your back and sides or have any signs of kidney or bladder trouble such as rheumatic pains, puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired and run-down, or bothered with urinary disorders, Solvax will quickly and surely relieve you of your misery.

ered with urinary disorders, Solvax will quickly and surely relieve you of your misery.

Solvax is probably the most potent remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It neutralizes, dissolves and makes the kidneys sift out all the uric acid and poisons left by the blood, and renders the kidneys and urinary organs clean, vigorous and healthy.

Many of the best druggists say that no medicine ought to be paid for unless it does the user some good. Solvax therefore sells under a positive guarantee to quickly relieve the worst cases of kidney trouble or your money refunded. Try Solvax today and if you cannot see and feel a decided change for the better, just go to the druggist from whom you bought it and tell him you want your money back and he will return it without question. This is the strongest argument that can be offered in behalf of any medicine. Solvax is sold in Norwich and vicinity by Lee & Osgood and other leading dealers.

OUR FIRST AND LAST GOOD-NIGHT

We met but once, one Summer eve,
Beneath a cool and rustic shade,
Where both it acem'd in pensive
thought
At sunset hour had stray'd.
She gently touch'd her light guitar,
And sang of other happy days;
I felt the magic of ther song,
But dared not speak its praise.
We met but once, and the' too soon
The moments wing'd their rapid flight
One sweet memento still they left,
Our first and last good-night.

Again she sang of merry friends
Beloved in happy years gone by;
I watch'd the teardrops one by one
That trembled in her eye.
Fair maid, I said, with timid glanco,
Art thou, like me, all alone,
And in thy tender strains portray
Sad thoughts we both have known?

We met but once, yet oh, hew dear That Summer eve will ever ba. When stooping o'er a mossy bank She cull'd a rose for me; A rose, that till my latest hour, I'll keep for her, for her dear make, The brightest time in all my life Its wither'd leaves awake.
